

The splendor of yesterday, the legacy of a culture,
and the art of creating experiences ...

There are places that were meant to be lived a moment, and remembered for a lifetime ... Here's Hacienda Misné, unforgettable place in the White Mérida City, which evokes the romance of yesterday combining it with the exclusivity and comfort of the finest hotels nowadays...

LOCATION AND STYLE

Located just 15 minutes from the historic center of Merida City, Hacienda Misné is an ancient building from XVIII century with elegant French and Spanish architecture elements from Colonial epoque that makes it a unique luxury parador in the city. The history and tradition of the place, combined with the natural beauty of its lush gardens and comfort of a luxury hotel, makes Hacienda Misné an exclusive place for inviting the senses to enjoy and discover unforgettable experiences during a trip around Yucatan.

UNIQUE EXPERIENCES

Start the morning enjoying a natural breakfast in one of the terraces of the main house surrounded by beautiful gardens and singing birds, next to the old tank farm now converted into a refreshing pool. After that receive a soothing massage in a Mayan House beneath a leafy tree, or relax in one of the two swimming pools in the middle of the gardens, under the warm sun of the Mayab.

The 50 rooms distributed around the main house and gardens, maintain Yucatecan tradition of buildings with high ceilings of 13 ft., with romantic and private terraces inviting to a quiet conversation feeling the breeze running through the trees, or rather, resting in a relaxing hammock after the lunch time within the comfort of the room with an spectacular garden view.
